COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This Collective Bargaining Agreement is made and entered into by and between Local 20, Service Employees International Union, CTW/CLC, hereinafter referred to as the "Union," and the COUNTY OF COOK, hereinafter referred to as the "Employer" or "County."

ARTICLE I

Recognition

Section 1.1 Representation:

The County recognizes the Union as the sole and exclusive representative for all employees of the County at Stroger Hospital of Cook County and Cermak Health Services of Cook County in the job classification set forth in Appendix A of this Agreement (except those employees working less than twenty (20) hours per week), and excluding all office employees, supervisors and all other employees.

Section 1.2 Union Membership:

The County does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee as a condition of membership.

The County shall grant the Union thirty (30) minutes at the end of the orientation of new employees to present the benefits of union membership, at which time the Union may give the employees a copy of this Agreement. The County will encourage new employees to attend. With Respect to any employee from whom the Employer receives individual written authorization, signed by the Employee, in a form agreed upon by the union and the Employer the Employer shall deduct from the wages of the employee the dues and initiation fee required a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union with thirty (30) calendar days after close of the pay period for which the deductions are made.

The County and Union agree to communicate monthly regarding the date, time and place of the orientation. A steward designated by the Union shall be given reasonable notice of the orientation and he/she shall also be released with pay for such purpose.

Section 1.3 Dues Check-off:

With Respect to any employee from who the Employer receives individual written authorization, signed by the Employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from said wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendars days after close of the pay period for which the deductions are made.

The Union shall advise the Employer of any increase in dues, fair share fees, or other approved deductions in writing at least forty-five (45) days prior to its effective date. The Employer shall implement the increase in the first full pay period on or after the effective date.

The parties acknowledge and agree that the phrase "written authorization" as provided in this Agreement include authorizations created and maintained by use of electronic records and electronic signatures consistent with State and federal law.

The Employer agrees to deduct the contribution amount established by the committee per pay period from the wage of employees who voluntarily authorize in writing such deductions. Such amounts shall be forwarded in a separate check thirty (30) days after the close of the pay period for which the deductions are made.

Section 1.4 "Fair Share":

1. The County shall grant "Fair Share" to the Union in accordance with Sections 6(e)-(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within thirty (30) days of the Union meeting said conditions or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees or (2) pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.
2. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
3. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
4. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

5. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.5 Religion Exemption:

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 1.4 of this Article, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

Section 1.6 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provision of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

Section 1.7 Fair Representation:

The parties agree that classifications and units of unrepresented employees shall be free to communicate with and to choose or not choose representation by the Union. Such a choice shall be made consistent with the Illinois Labor Relations Act and in accordance with the procedures established by the Illinois Labor Relations Board.

In the event any of the provisions of this agreement are or shall become invalid, illegal, or unenforceable by reason of any federal or State Law, Local Ordinance, Decision of any Court or Ruling of any Federal or State Board, Agency, or other governmental entity such invalidity, illegality, or unenforceability shall not affect the remainder of the provisions of this agreement. If any such event occurs, at the request of either party, the Union and the Employer shall meet and negotiate in good faith for the purpose of bargaining over the effects of the invalidity, illegality, or unenforceability of the provision or provisions.

ARTICLE II

Declaration of Purpose and Authority of the County

Section 2.1 Community Interest:

The parties acknowledge the interest of the general community in the medical care offered by the Hospital and its employees, and declare their intent that this humanitarian service shall not be interrupted by reason of any dispute or disagreement among the Union, the Hospital or its employees. The purpose of this Agreement is to establish and maintain harmony and cooperation between the Hospital and the employees by setting forth the complete understanding between the County and Union with respect to wages, hours and other terms and conditions of employment of such employees, and to provide an orderly procedure for the prompt and fair disposition of any grievances that might arise, thereby assuring patients at the Hospital that, with the flexibility in the use of Hospital personnel provided herein, they will receive efficient and uninterrupted care at all time.

Section 2.2 County Authority:

For the purpose of assuring the maintenance of efficient and uninterrupted medical care, and recognizing that all functions of the Hospital are integrally related to such care, the parties agree that the County shall have full right and authority to manage all functions of the Hospital and to direct its employees, except as such rights are specifically limited by this Agreement. These rights include, but are not limited to, the right to manage the business of the Hospital; to determine standards of patient care; to develop and use new methods, procedures and equipment; to train employees; to decide whether to purchase or use its own personnel; to direct the working force; to determine the schedules and nature of work to be performed by employees, and the methods, procedures and equipment to be utilized by the employees in the performance of their work; to eliminate, consolidate and develop new classifications, operating units and departments; to achieve the highest level of employee performance and production consistent with safety, good health and sustained effort; to make and enforce reasonable rules of conduct and regulations; to hire, layoff, promote and transfer employees, to discipline or discharge employees for just cause; to utilize employees wherever and however necessary in cases of emergency, or in the interest of patient care or the efficient operation of the Hospital; and to maintain safety, efficiency and order in the Hospital. The exercise or non-exercise of rights hereby retained by the County shall not be construed as waiving any such rights, or the right to exercise them in some other way in the future.

Section 2.3 County Obligation:

The Union recognizes that this Agreement does not empower the County to do anything that it is prohibited from doing by law.

Section 2.4 Employee and Management Obligation:

The parties recognize that there may be reasonable differences of opinion as to whether a particular work assignment to an employee is within a specific limitation of this Agreement. It is agreed that in such instance the employee shall comply with the assignment and shall then utilize the grievance procedure, if necessary, to settle the difference.

Section 2.5 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

The subjects of consolidations and/or closures of positions and the possible effects of staffing levels on patient care shall be appropriate topics at such meetings. This shall not preclude the Union from utilizing remedies otherwise available, if any.

Section 2.6 Membership Recognition:

The County will provide the Union with such opportunities as are necessary to orient new employees to the responsibilities and benefits of the Union. Appropriate Hospital officials will cooperate with the Union in effecting these orientation sessions. Upon request, a representative of management will attend these orientation conferences to confirm and clarify management's interest in a constructive relationship with health care professional employees and the Union. Orientation conferences may be during on duty time for employee's subject to orientation and for Union stewards who are employees.

Section 2.7 Professional Authority:

In carrying out the policies of the County's management in the delivery of patient care, and in responding to other employee grievances, the County and the patient expect that no health care professional will use his/her professional authority to carry out Union policy that is different from that of the County.

Section 2.8 Union and County Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and County agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations. The party requesting the meeting shall prepare a written agenda one (1) week prior to meeting if so asked by the other party. The Union and County shall each designate not more than five (5) representatives to a labor-management committee for this purpose. Both parties agree that prompt responses to issues raised in these meetings are of primary importance. Therefore, the time frame by which responses shall be provided to issues raised in these meetings will be determined by the designated representatives.

**ARTICLE III
Hours of Work and Overtime**

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week, or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Rest Periods:

The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time. The length of uninterrupted paid lunch periods and breaks presently granted at the hospital shall remain in effect, provided that total time for lunch and break is not less than one (1) hour. The regular pay period shall consist of two (2) regular work weeks.

An employee's time spent on FMLA (paid benefit time) shall not count towards overtime eligibility. Daily overtime pay shall not be paid for excess hours worked on any day because of a permanent change in an employee's schedule, if the employee is free from all duty for at least eight (8) hours after completing his/her first eight (8) hours of work that day. Employees shall not be laid off from their regularly scheduled work to avoid the payment of overtime.

Physician Assistants shall record their time using "one swipe" and shall be exempt from overtime payments outlined in this Collective Bargaining Agreement.

Section 3.4 No Duplication of Overtime Pay:

There shall be no pyramiding or duplicating of overtime pay. During the interim period, the County will meet with the Union to discuss any alternatives to the layoff of employees. Prior to the layoff of any bargaining unit employees the County shall first layoff all temporary and probationary County employees. Employees in the affected classifications shall be initially selected for layoff in accordance with Section 4.3 of this Article, and shall be given notice thereof at least thirty (30) days except when a layoff of five (5) days or less is made under Section 4.3 of this Article, in which case no notice need be given before or after such period. An employee so selected shall be transferred to any other classification in which there is a vacancy, or which is filled by another employee who has not completed his/her probationary period, or if neither such situation exists, the employee so selected shall be permitted to exercise bumping rights, all in accordance with Section 4.3 of this Article, as follows:

If Non-ACHN: First within the Department/Division, then Division/Department, then the Facility and then throughout the Bureau of Health

If ACHN: First within the Clinic, then the Region and Hub facility, then throughout the Bureau of Health

1. During the layoff, employees will not continue to accrue seniority, but if they are recalled within two years, they will retain the seniority they had as of the date of layoff.
2. In the event two employees have equal hire dates, the order of selection and seniority for this layoff will be determined on a "last name alpha basis" with A being given

preference to B and so on. Just as "Adam" has precedence over "Baker", "Cane" would have preference over "Cone". Definitions of seniority in the applicable CBA's will continue to govern seniority issues for all other purposes.

3. Employees identified for layoff will be listed in order of seniority without regard to job title or classification. Employees then will be allowed to exercise their rights under Article IV in the order of seniority (with the most senior employee acting first) as defined in this email.
4. An employee first will be allowed to claim vacancies for positions in any classification for which the employee is qualified based on ability and fitness, and as set forth in the job description for the position.
5. If no vacancy exists, then the employee will be allowed to "bump" employees in probationary positions.
6. For any employee "bumping down", he or she will be allowed to review and bump a less senior employee in the next pay grade down, provided the employee is qualified for the position.
7. If there is an available position in the next pay grade down from the employee exercising rights, he or she must either accept the position or accept layoff.
8. If there are no "bumping" opportunities in the next lower pay grade down for the employee identified for layoff, the employee then will continue to the following lower pay grades, sequentially, until a placement opportunity arises. If there is an available position in the next lower pay grade down from the employee exercising rights, he or she must either accept the position or accept layoff. No employee may forego a "bumping" opportunity to take a position in a lower pay grade. The bumping process for any employee will end when the first position is available for which the employee is qualified. The employee must accept that position or accept layoff.
9. Employees must qualify themselves for placement into a position at the time of layoff. This means they must bring supporting documentation acceptable to management, certifications and/or proof of education and training to verify their qualification for a new position if they exercise rights to claim a vacancy, or bump a probationary or less-senior regular employee.
10. All employees affected by the layoff must be present at the meetings. Local 73 is authorized to and must make a selection on behalf of any absent employee or any employee who otherwise is unable to attend the meeting.

Section 4.8 Return to Former Job:

An employee who has been promoted, transferred or recalled to another job within the represented unit may be returned by the Hospital to the former job or status within a reasonable period, but not to exceed thirty (30) calendar days, if the employee does not demonstrate the ability and fitness to satisfactorily perform the job to which promoted, transferred or recalled. During such thirty (30) calendar days, an employee shall retain seniority in the job classification from which promoted, transferred or recalled, and only thereafter shall seniority be transferred to the new job classification. An employee who has accepted another job within the represented unit may ask to return to the former job within seven (7) calendar days after commencing work on the new job without loss of seniority in the old job.

Section 4.9 Return to Represented Unit:

An employee who has been promoted or transferred out of a represented unit, and who is later transferred back to the unit by the County, shall upon return to the unit be granted the seniority he/she would have had the employee continued to work in the classification from which promoted or transferred out of the unit; provided that such an employee may retain and exercise such rights under this Section on only one (1) occasion.

Section 4.10 Seniority List:

The County will furnish the Union a list showing the name, social security number, address, Business Unit/department, classification and last hiring date of each employee, and whether the employee is entitled to seniority or not. The County shall allow the Union to post a list that contains the name and last date of hire for each employee in a mutually agreed upon location within the department. The County will furnish the Union monthly reports of any changes to such list, and shall furnish a revised list every six (6) months. At any time, an employee may challenge any error in his/her relative position on the list or seniority date as it appears on the list. A simple challenge form will be provided by the County. Challenges will be resolved and corrections made as soon as possible.

Section 4.11 Termination of Seniority:

An employee's seniority and employment relationship with the County shall terminate upon the occurrence of any of the following:

- (a) Resignation or retirement;
- (b) Discharge for just cause;
- (c) Absence for three (3) consecutive work days without notification to the department head or designee during such period of the reason for the absence, unless the employee has a reasonable explanation for not furnishing such notification;
- (d) Failure to report to work at the termination of a leave of absence or vacation, unless the employee has a reasonable explanation for such failure to report for work;
- (e) Absence from work because of layoff or any other reason for twelve (12) months in the case of an employee with less than one (1) year of service when the absence

began, or twelve (12) or twenty four (24) months in the case of all other an employee with one (1) or more years of service, or thirty six (36) months in case of an employee with seven years or more of service when the absence began, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;

- (f) Failure to notify the County within nine (9) calendar days of the employee's intent to report to work upon recall from layoff, or failure to report for work within sixteen (16) calendar days, after notice to report for work is sent by registered or certified mail, or by telegram, to the employee's last address on file with the Personnel Office where the employee works. The Employer shall send a copy of the letter of recall to the Union; or
- (g) Engaging in gainful employment while on an authorized leave of absence, unless permission to engage in such employment was granted in advance by the County in writing.

Section 4.12 Transfer of Stewards:

Employees acting as Union stewards under Article XI, Section 11.6, of this Agreement shall not be transferred from their job classifications or departments because of their activities on behalf of the Union. Any transfers of Union stewards from their job classifications or departments, other than in an emergency, will be discussed with the Union in advance of any such transfers.

Section 4.13 Discipline:

Employees who are to be or may be disciplined are entitled to Union representation exclusively in any disciplinary proceedings consistent with the Cook County Disciplinary Action Policy and Procedure. The Union and the County agree that discipline should be timely, progressive, and accompanied by counseling. It is understood that all discipline below suspension shall be discarded after one (1) calendar year if the employee has no additional discipline for the same or similar offense. Suspensions will be discarded from an employee's personnel file forty-eight (48) months from the date the suspension was issued, provided the employee has not received discipline for the same or similar offense during that forty-eight (48) month period.

Once discipline is removed, it will not be considered in determining future disciplinary actions; provided, however, that neither the employee nor the Union will claim in any subsequent arbitration that the employee had a "clean" or "unblemished" record. In the event the Union or the employee makes such a claim or claims the County will be free to use any discipline issued to the employee regardless of the provisions of this Section.

If the County has reason to discipline an employee it shall normally be done in a manner that will not embarrass the employee before other employees or the public.

A pre-disciplinary meeting for suspensions and discharges shall be held. The Employer shall notify the Union and the employee of a pre-disciplinary meeting and set forth a brief statement of the facts surrounding the incident including dates if known and identify any witnesses whose testimony will be relied upon. During the pre-disciplinary meeting, the employee and/or the

Union representative shall be given an opportunity to rebut or clarify the charges which gave rise to the pre-disciplinary meeting. The pre-disciplinary meeting shall be scheduled in a timely manner. In the event the Union's representative or designee does not respond to scheduling of such hearing, the employee may be disciplined accordingly.

An employee's disciplinary record in accordance with the provisions of Article IV, Section 4.13 of the Healthcare Professionals, Technicians, Technologists, Oak Forest Hospital and Article XIV, Section 14.1 of the Stroger/Cermak Agreements shall not be used to determine whether or not they are promoted or laterally transferred.

Section 4.14 Temporary Employees:

Temporary jobs and temporary employees shall not exceed ninety (90) calendar days of employment, except summer replacement employees whose jobs and employment shall not exceed one hundred twenty (120) calendar days. If a temporary employee becomes a permanent employee by virtue of being retained for a period exceeding ninety (90) calendar days or one hundred twenty (120) calendar days, as hereinabove referred to, the position occupied shall then be posted and filled pursuant to Sections 4.3 and 4.5 of this Article. A temporary employee will be given a permanent seniority date of the date originally hired if retained past the aforesated period, and that date shall be used when the employee bids for his/her present position or any other posted position. The employee may temporarily remain in the existing position until it is filled through the posting and bidding procedures. If the employee fails to retain the position or obtain any other position through the bidding procedures, the employee shall be placed on layoff pursuant to Section 4.4 of this Article however, if laid off, the employee will not be recalled to any job until it has been posted and bid upon by active employees. The provisions of Section 4.9(e) of this Article will apply to termination of employment in event of no recall.

Section 4.15 Seniority of the Technician, Technologist and Healthcare professional:

Prior to an unfilled vacant position being posted in Taleo, the hiring department will post an internal bid posting within the operating unit to allow for the bidding of the shift associated with the vacant position. Bid postings shall be posted for seven (7) calendar days.

Only employees who are assigned to the operating unit (i.e., Unit/division) where the vacancy occurs will be eligible to bid for the shift indicated on the vacant position. The vacant shift(s) will awarded based on seniority preferences.

The shift that becomes vacant as a result of the shift bidding process will be attached to the unfilled vacant position and posted on Taleo. No concurrent or recurring shift bid movement will occur.

- (b) The employee must have worked at least forty (40) hours during the pay period in which the holiday occurs unless the employee was on vacation or paid sick leave during such period.

Section 6.3 Working Holidays:

Because the Hospital operates every day of the year and it is not possible for all employees to be off duty on the same day, the County has the right at its sole discretion to require any employee to work on any of the holidays listed in Section 6.1 of this Article. Any employee who works on a holiday shall receive one and one-half (1½) times the employee's regular hourly rate for the hours actually worked plus holiday pay at eight (8) hours pay, including shift premium, if applicable, at the same hourly rate. Health care professionals shall have the option to receive payment at the above applicable rate or to be given a compensatory day off.

Requests shall not be unreasonably denied. A two (2) week notification will be required. If an employee is required to work on a scheduled floating holiday by the Employer, the employee shall be entitled to holiday pay pursuant to Section 6.6 of this Article.

ARTICLE VII

Vacations

Section 7.1 Eligibility:

Vacation credit shall be earned for each month during which the employee is in an active pay status for at least eighty (80) straight-time hours. The amount of annual paid vacation for Technicians will be according to the following schedule:

<u>Service</u>	<u>Vacation</u>
1 Year	3 Weeks
5 Years	4 Weeks
10 Years	5 Weeks

Employees employed for six (6) months shall be entitled to one (1) week vacation with pay, which shall be deducted from the three (3) weeks' vacation with pay to which they are entitled after one (1) year.

Section 7.2 Eligibility Year:

An employee's vacation eligibility year shall be the twelve (12) month period immediately preceding the anniversary of his/her most recent date of hire. An employee must take the vacation to which entitled as of his/her most recent anniversary date during the twelve (12) month period following the anniversary date. Vacations may not be carried over beyond such period, and an employee will not be compensated for vacation time not taken. Employees with more than twelve (12) months of service will be permitted to take accrued time off as it is earned.

Section 7.3 Vacation Accrual:

During the employee's first four (4) years of service vacation credit will accrue at the rate of 1 2/13 days each two (2) pay periods; during the next five (5) years at the rate of 1 7/13 days each two (2) pay periods; and thereafter at the rate of 1 12/13 days each two (2) pay periods.

Upon hire, a CRNA shall be credited with (5) weeks of vacation. The rate of accrual shall be calculated at the rate of 7.70 hours per pay period.

Section 7.4 Vacation Pay:

Vacation pay shall include shift differential pay for employees who have been regularly assigned to evening or night shifts for a period of at least six (6) months prior to the time the vacation is taken. Employees so assigned to evening night shifts for only a portion of their regular work week shall receive pro rata inclusion of shift premium in their vacation pay. Temporary assignments of such employees to the day shift shall not affect their right to receive such shift differential as part of their vacation pay.

Section 7.5 Vacation Preference and Scheduling:

Insofar as practicable, vacations will be granted to meet the requests of the employees, and seniority will control in conflicts in scheduling vacation periods. However, to insure the orderly operation of the Hospital and in the interest of patient care, the right to limit the number of employees who will be permitted to be on vacation at any one (1) time is reserved to the County. On February 1 of each year, the County will notify the employees of their accrued vacation as of the previous January 1. On February 1 and August 1 of each year, the County also will post a

schedule in each department or unit indicating the number of employees who will be permitted to be on vacation at any one (1) time in any one (1) department or unit during the six (6) month periods commencing respectively on April 1 and October 1. By March 1 and September 1, respectively, employees shall indicate their preferred vacation periods, with second and third choices. The County thereafter will schedule vacations based on the employee's seniority as defined herein, and a schedule thereof will be posted no later than ten (10) days prior to April 1 and October 1, respectively. When two (2) weeks' notice is given, employees thereafter may exchange or change vacation periods when time is available on the posted schedule. An employee may request to begin and end a vacation on any day of the week and management, as a matter of routine shall not arbitrarily deny this request.

Emergency vacation requests for employees will continue to be granted whenever possible. It is understood that while requests for emergency vacation cannot be automatically granted in every instance, such requests should not be automatically denied as a matter of routine Hospital function. Other vacation requests will be granted, consistent with the number of employees who will be permitted to be on vacation at any one (1) time. The County may change an employee's scheduled vacation when emergencies occur, after due consideration for inconvenience and cost to the employee. Requests for emergency vacation are not to be denied solely in order to place the employee in "O" status as a punitive measure.

Section 7.6 Accrued Benefits at Separation:

Upon termination of employment, the employee shall be paid all vacation and holiday pay accrued through the last day worked, but shall not be paid for any accumulated sick time.

ARTICLE VIII Welfare Benefits

Section 8.1 Hospitalization Insurance, Employee Contributions:

- A. The County agrees to maintain the level of employee and dependent health benefits that are set forth in Appendix C as revised by this Agreement and specifically described in Appendix C.
- B. Employees who have elected to enroll in the County's PPO health benefits plan shall contribute, in aggregate, by offset against wages, the amount of their base salary set forth in Appendix C as a contribution towards premiums. Employees who have elected to enroll in the County's HMO health benefits plan shall contribute in aggregate, by offset against wages, the amount of their base salary set forth in Appendix C as a contribution towards premiums. All rules and procedures governing the calculation and collection of such contributions shall be established by the County's Department of Risk Management, after consultation with Local 73. All employee contributions for Health Insurance shall be made on a pre-tax basis. Cook County will reimburse for the cost of health insurance coverage paid by employees who convert following their termination subsequently reinstated pursuant to the grievance procedure.
- D. The Employer will provide a mail order prescription program as set forth in Appendix C.

Section 8.2 Sick Pay:

An employee shall accumulate sick pay credits at the rate of one (1) day for each month of service in which the employee works or is paid for at least ten (10) working days. Employees may accumulate and carry over to the next fiscal year a maximum of one hundred seventy-five (175) days. An employee will not earn sick pay credit while on leave of absence without pay, or during any period the employee is absent from work because of an occupational illness or injury. Employees using sick leave benefit will be paid at the straight time hourly rate, plus shift differential when applicable. Up to the employee's accumulated sick pay credits, an employee prevented from working because of the employee's illness or injury (other than an occupational illness or injury), or illness in the employee's immediate family, shall be entitled to receive sick pay for each day the employee otherwise would have worked. Sick time is not to be used by employees as vacations or simply to take time off with pay, but employees shall not be disciplined for the bona fide use of sick time. The County shall keep the Union informed of employees suspected of abusing sick pay and the Union will cooperate with the County in counseling individuals in an effort to minimize such abuse.

Section 8.3 Disability Benefits:

Employees incurring any occupational illness or injury will be covered by Worker's Compensation insurance benefits. Employees injured or sustaining occupational disease on duty, who are off work as result thereof for no more than five (5) consecutive work days, may be allowed to use accrued sick leave for their days off; however, they shall not be permitted to apply for such sick leave until they have returned to work. Duty disability and ordinary disability benefits also will be paid to employees who are participants in the County Employee Pension Plan. Duty disability benefits are paid to the employee by the Retirement Board when the employee is disabled while performing his/her duties. Benefits amount to seventy-five percent (75%) of the employee's salary at the time of injury, and begin the day after the date his/her salary stops; such benefits to be reduced by any Workers' Compensation paid by the County. Ordinary disability occurs when a person becomes disabled due to any cause, other than injury on the job. An eligible employee who has applied for such disability compensation will be entitled to receive, on the thirty-first (31st) day following disability, fifty percent (50%) of salary, provided they are in no pay status at that date. If an employee receives accrued salary beyond the 31st day then disability payment will not begin until the 1st day the employee is in no-pay status after the thirty (30) days have expired. The first thirty (30) consecutive days of ordinary disability are compensated for only by the use of any accumulated sick pay and/or vacation pay credits unless the employee and the County otherwise agree. The employee will not be required to use sick time and/or vacation time for any day of duty or ordinary disability. A disabled employee is not required to be hospitalized at any institution operated by the County except as so ordered by the Industrial Commission. Since the County is responsible for the benefits payable in respect to disability due to occupational illness or injury, the County may monitor the medical services provided for an employee disabled due to occupational illness or injury. Disability benefits paid by the Annuity and Benefit Fund are subject to statutory limits.

Section 8.4 Life Insurance:

All employees shall be provided with life insurance in an amount equal to the employee's annual salary (rounded to the next one thousand (\$1,000)), at no cost to the employee with the option to purchase additional insurance up to a maximum of the employee's annual salary. No life insurance shall be offered through the County's HMO plans.

Section 8.5 Pension Plan:

The County Employees and Officers Annuity and Benefit Fund will be continued in effect for the duration of this Agreement and all employees of the County are required to become members of that Fund. The Fund will continue to provide employees with annual statements of their interests therein.

Section 8.6 Dental Plan:

All employees shall be eligible to participate, at no cost to them, in the dental plan as set forth in Appendix C as revised by this Agreement and specifically described in Appendix C. No dental coverage shall be offered through the County's HMO plans.

Section 8.7 Vision Plan:

All employees shall be eligible to participate, at no cost to them, in the vision plan as set forth in Appendix C as revised by this Agreement and specifically described in Appendix C. No vision coverage shall be offered through the County's HMO plans.

Section 8.8 Hospitalization - New Hires:

All new employees covered by this Agreement shall be required to enroll in the County HMO plan of their choosing, such enrollment to be effective from the date of hire through the expiration of the first full health plan year following such date of hire.

Section 8.9 Flexible Benefits Plan:

All employees shall be eligible to participate, at no cost to them, in a flexible benefits plan to be established by the County. Such plan shall include segregated IRS accounts for child care and medical expenses.

Section 8.10 Insurance Coverage:

Employees on layoff status shall retain health and dental insurance coverage for a period of two (2) months following the month in which the effective date of the layoff occurs with the Employer paying the full premium, single or family plan as appropriate.

Section 8.11 Insurance Claims:

A dispute between an employee (or his/her covered dependent) and the processor of claims shall not be subject to the grievance procedure provided for in this Agreement. Employees shall continue to be afforded an opportunity to present appeals of such insurance disputes in person and may have union representation at such proceedings. This Section should not be construed to diminish the provisions of Section 8.1(A), (B), (C) or (D) of this Article.

Section 8.12 Confidentiality of Wellness Program:

The Union will advise the County in writing of the names of the stewards in each department or area agreed upon with the County and shall notify the County promptly of any changes. Upon obtaining approval from their supervisor before leaving their work assignment or area, stewards will be permitted to handle and process grievances referred by employees at the appropriate steps of the grievance procedure during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time.

All employees shall be allowed time off with pay to attend meetings agreed to by the Employer required by the Employer, or mandated by this Agreement.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the Board and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the County and the Union. The arbitrators shall be selected on a rotating basis. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The parties may mutually agree that a grievance shall be submitted to expedited arbitration. If the parties agree to expedited arbitration, the following provisions of this paragraph shall apply. Immediately upon notification of the designated arbitrator, the parties shall arrange a place and date to conduct a hearing within a period of no more than thirty (30) calendar days, unless the parties agree to a longer period. If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the

next panel member in the rotation shall be notified until an available arbitrator is obtained. Nothing herein precludes multiple cases being heard on the same day before the same arbitrator. The hearing shall be conducted under the following procedures:

Any arbitrator who issues a bench decision shall furnish a written copy of the award to the parties within seven (7) calendar days of the close of the hearing.
